

## THE SEVENTH SUNDAY OF EASTER

Sunday, May 16<sup>th</sup> 2021

### Letter from Fr Bernard

#### Nobody Likes Waiting

We once had a Yorkshire Terrier who had a litter of puppies. They were so tiny, like little mice, all huddled together in their basket and making high pitched squeaks. But one of the litter couldn't breathe. We tried to stimulate him, but nothing happened. He was perfect, just like the others, but for want of breath, he died in our hands.

This episode reminds me of one of my favourite Old Testament passages in Ezekiel, chapter 37. God was speaking to the Prophet Ezekiel, and gave him a vision to convey to the people. He was standing in a valley of bones, and they were very dry. Then God said to him "Prophecy to these bones and say to them. "Dry Bones. Hear the Word of the Lord."" There was a rattling sound, and the bones came together, bone to bone. Then tendons and flesh appeared on them, and skin covered them, but there was no breath in them. Then God, the sovereign said "Come from the four winds, and breathe into these slain, that they may live." Then the breath entered them; they came to life, and stood up on their feet – a vast army.

After the Ascension the disciples were told to wait for the gift of the Spirit, (the breath) of God to come to them. We can only guess, the tension and anxiety which they wrestled with in this post resurrection as they waited and waited.

We as a church here at St. Margaret's are waiting – but actually, the whole Church of God is waiting as well, as we emerge into the post covid era. Nothing can be the same as it was. New ways of working, are bound to appear, but one thing we do know is that the Holy Spirit will breathe on us and give us new life in a new era. This family service hymn comes to mind:

Spirit of the living God, fall afresh on me  
Break me, melt me, mould me, fill me,  
Spirit of the Living God, fall afresh on me.

### Let Us Pray

As our church doors once again open for services  
we pray that people feel peace in coming together  
and celebrate the joy that comes  
from the fellowship you gift us with.

We know that our Church is not merely a building,  
but the Body of Believers in Christ Jesus.

Help us to connect in person once again and feel secure in doing so.

Bless our visiting priests and those who serve in the Church.

Lord, we thank You and worship You

in Jesus Name.

**Amen.**

### **Update on the recruitment of our next Parish Priest:**

Following the shortlisting process, three candidates will be visiting the Parish next Thursday and will be interviewed on Friday. During the visit, the Candidates will have a tour of the Parish and Church and meet a few people with whom they would be working closely.

Guidance on recruiting a Parish Priest says "*Being a Parish vicar is much more than just having a job; it is about being part of a community; living with others and pointing them to Jesus through every element of yourself and your life. That is why it is so important to match the person with the community and that is why sometimes the process can be complicated and seem drawn out.*" It is understandable that people are interested in what is happening but the process has strict rules of confidentiality so as to protect the candidates and the responsibilities that they will have to their current Parishes, so we are unable to provide any further details of the candidates. Please keep the interview panel of Bishop Nick, Archdeacon Andy, Father Oswin and our Parish Representatives in your prayers. Please also pray for the candidates and their families.

There may be some delay after the interview before a formal announcement can be made. We will update you as soon as we are able to do so.

### **A Welcome Return for the Family Service**

It was a delight to see so many regular members of our Family Service congregation, when we began again after more than a year's absence. Social distancing meant that children stayed in their seats (spaced throughout the church), while hymn-singing was replaced by the playing of percussion instruments brought from home; but this didn't dampen the enthusiastic engagement of attendees in a form of service which otherwise followed our accustomed pattern. We considered how growing in relation with God may be rather like learning to ride a bicycle. Family Services will now continue every Sunday at their usual time of 9.15am.
